## SAO PAULO ISLAND THE WORLD

*The World, Dubai*

Luxury residential private island of Sao Paulo of The World, Dubai.  
A masterplan inspired by the Brazilian emblem.  
Five luxurious central villas set in the rock, refreshed by waterfalls and two lines of immaculate villas along the green wings overlook the sea.  
Two groups of luxurious floating villas at the extremities of the island benefit from the strategic location directly on the sea with a dream terrace on Dubai Marina
