Kaynemaile at "WT Future Hotel" by The Hotel Show
Dubai 28 - 30 September 2014 - Hall 8, stand 8E216 - Dubai World Trade Centre

Kaynemaile has taken the 2000-year-old curtain design and applied modern, innovative thinking to offer architects & designers a state-of-the-art material. The company creates seamless polycarbonate mesh material and custom-produced attachment systems that are globally unique, eco-sustainable and tailor-made to suit a wide range of interior and exterior architectural projects.

Hotel Show, 28-30 September 2014 Stand Number 8E216
